## ***Day 1-Family***

1 Corinthians 13:4-7

Showing love isn't always easy, but if we can't show it to those closest to us then how can we show it to those we don't know? Let's put these verses into practice by praying for our families today.

## ***Day 2- Your Circle***

Proverbs 17:17; 27:17

To grow in our Christian walk we must have friends around us that encourage us to grow. Pray that the Lord surrounds you with Christian friends and pray that their wisdom and yours increases.

## ***Day 3- Enemies***

Luke 6:27-31

Loving those who love you is easy, but Christ calls us to love those who hate us. Today, pray for wisdom and courage to love those who curse you and to pray for them.
